William Carey College—1983

Editor: Belinda Giles

Assistant Editor: Janice Stewart

No two people have the

same strength of body,

the same force of mind,

the same qualities of heart,

but no one knows to what great power

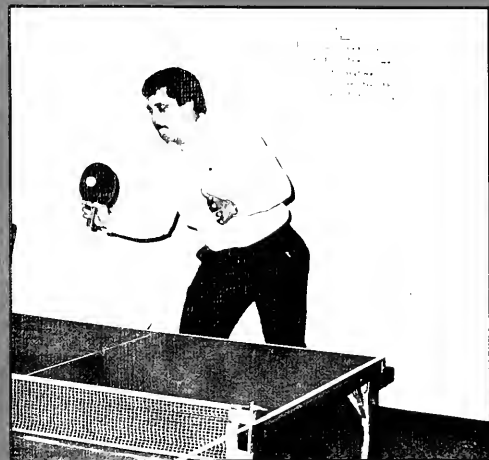

he can develop himself until he tries.

And success, after all, does

not mean wonderful achievement;

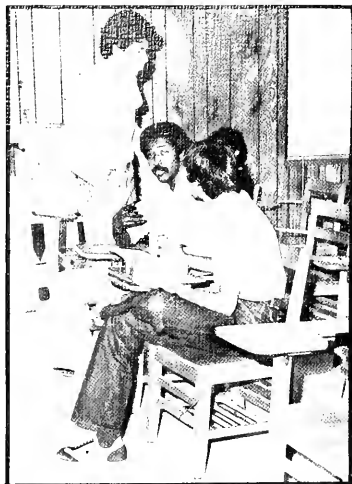

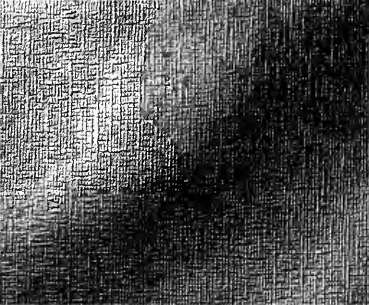

but merely the development to the

utmost of our natural gifts of body,

of mind and of heart,

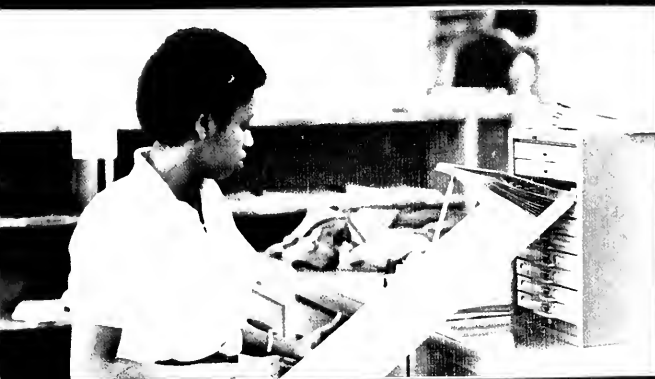

according to the environment

into which we are born or

placed. —John Wanamaker

1983 Dedication Psychology Department

Because of its unusual growth, the discipline of psychology became a department in 1979. The growth resulted from the dedicated leadership of Dr. Clarence Thurman and his associate Dr. Bill Rivero.

It is with enthusiasm and deep appreciation for abiding interest in the students and contributions to William Carey College that we dedicate the 1983 Crusader to Dr. Clarence Thurman, Dr. Bill Rivero, and the psychology department.

Chairman, Dept. of Psychology

Dr. Bill Rivero
Associate Prof. of Psychology

Back to School!

The first week of school was filled with fun things for every one. There were many activities to introduce new students to campus life and to allow old students to get reacquainted. Some of the activities included a taco party and an Aloha party. They gave us a glimpse of what several of our teachers are really like. There was a skating and bowling party, and a BSU lock-in that was exciting as well as uplifting.

WCC Talent Sparkles

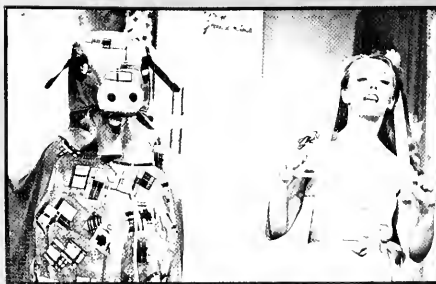

The SGA and Delta Omicron combined to present one of the best talent shows Carey has ever had. First prize was a tie between Wanda Geddie, and Jerry Watts and Melissa Massey. Lisa Stringer was the second prize winner and Kathy Coker won third prize. In the comedy category, the Blues Brothers won first prize.

All Our Friends

All Our Friends was a musical revue containing musical selections from the 20's, 30's, 40's, and 50's. The second act included a vaudeville show and a tribute to Hattiesburg's centennial.

Wings

Wings was the story of a woman who had a stroke and her struggle for life after the stroke. This drama was a moving experience for audience members as the woman struggled for her life, or any form of life resembling the life she once had.

Leisure Time Activities

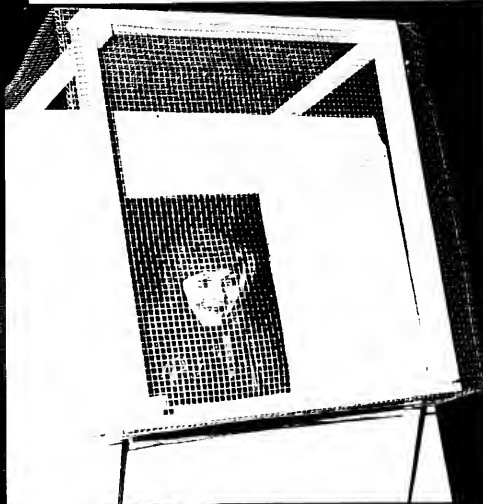

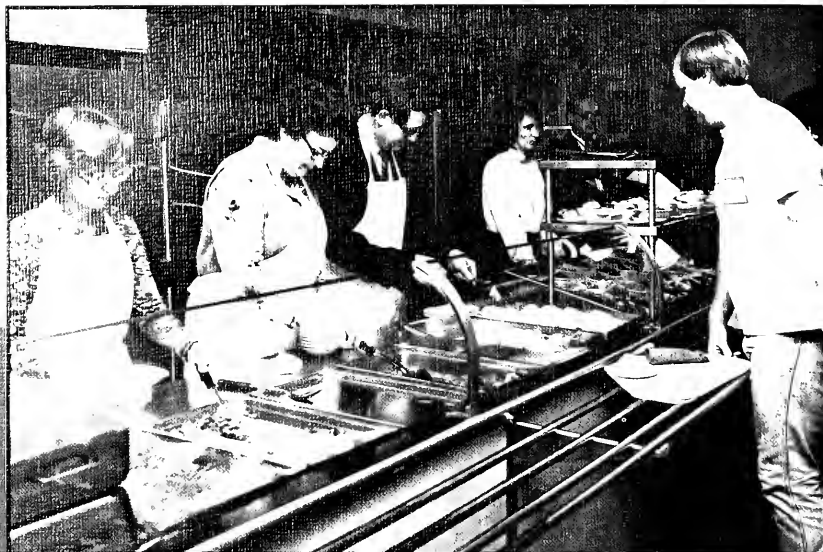

Witchy Week

Halloween week was filled with activities for everyone on campus. The activities included a car rally, "Boo Brew," trick-or-treating in the dorms, a costume skating party, and even several horror movies for the braver one's on campus!

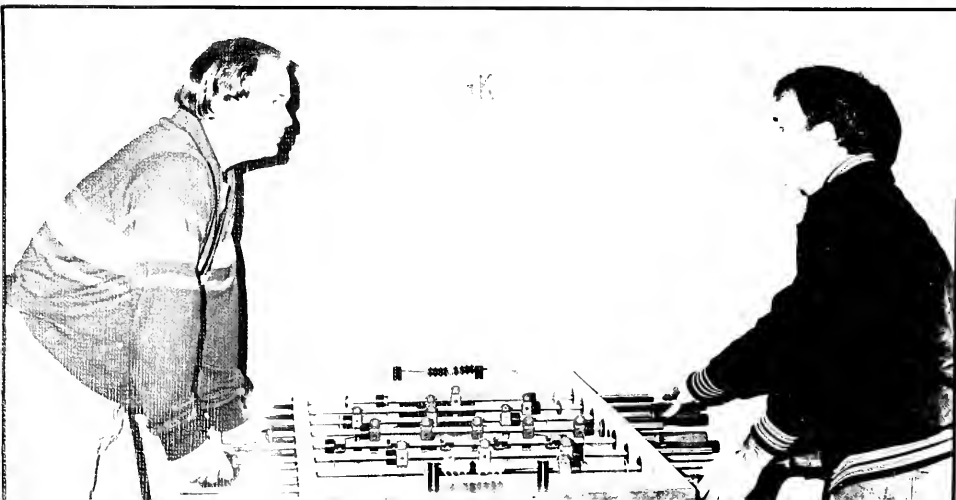

The Thanksgiving Banquet was held on November 22, 1982. The students especially enjoyed this event because the faculty and staff served the food and carried the trays to the tables.

The banquet was a great opportunity for good food, good fellowship, and a fantastic entertainment display of some of Carey's many talented people.

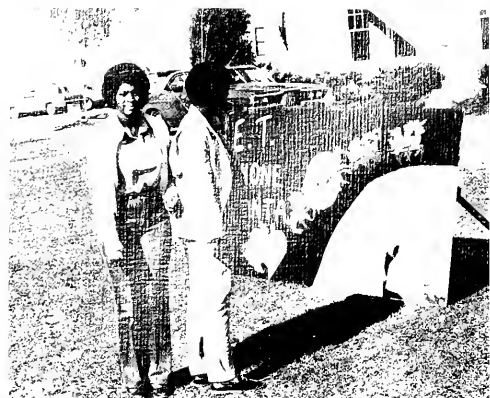

The Christmas season of 1982 brought many delightful events to the Carey family. Our Christmas spirit was heightened by huge Christmas cards displayed on the campus. The cards were judged as part of a competition sponsored by Student Government. The Music Therapy Club won first place with a sign of our time, "E.T. telephoning Santa."

Steve Ward and his crew decorated buildings and a tree in front of the cafeteria. But before final examinations, the administration, faculty and students enjoyed a joyous Christmas dinner. The "floor show" featured our own Santa Jack Rogers and Mrs. Virginia Scott Claus. They introduced the Afro-American Choir with Kathy Coker as soloist, the Silver Bells, the Faculty Dames Choir, William Carey's Austrian Boy's Choir, the Blue's Brothers, and a trio with a special version of the 12 days after Christmas. The "sane" finale was a Christmas carol played by Jenny Lou Breland, Nancy Lynn Rice, and Dr. James Fry and Mr. Obra Quave reading the Christmas story from Luke.

GROWTH

A young man recently won a prize for drawing at a Sunday School exhibition. When some one congratulated him on his good drawing he said, "That isn't my best drawing."

He was asked, "Why didn't you exhibit your best art work?"

"Oh," he replied, "my best drawing isn't drawn yet."

That young man was on the road to becoming a great artist.

It is my sincere hope that each of you as a Carey student will view your achievements recorded in the 1983 CRUSADER as steps to becoming the real success you can be in the years ahead.

Let your eye of faith rest on the promise of God.

Sincerely yours,

J. Ralph Noonkester

Explore and Experience

Experience follows exploration, whether we climb mountains, do scientific research, or live out our daily pilgrimage doing routine duties. The search for new truths is a never-ending quest.

Exploring God's biblical truths is a prelude to experiencing new spiritual dynamics in Christian living.

You are invited to explore the Christian life with the people of Temple Baptist Church. It's your decision. But remember, without a venture a vacuum takes the place of victory!

Mrs. Evelyn McClure

This year has been a great experience for me. Watching this yearbook take shape from just an idea has been so rewarding.

There are some special people who have my most heart-felt thanks because without their support I would not have made it: Mrs. McClure for encouraging me at just the right times, my staff members who worked long hours without complaining, my mom who listened to me fuss and fume when things were not going right, my friends at Carey who were my friends even when I was in a lousy mood, and my friends at church who listened to me complain three or four times a week!

I hope that the 1983 Crusader will capture the memories of the year that you most treasure.
